Because power dialing isn't just
about making more calls,
it's about making more calls
that convert to opportunities.

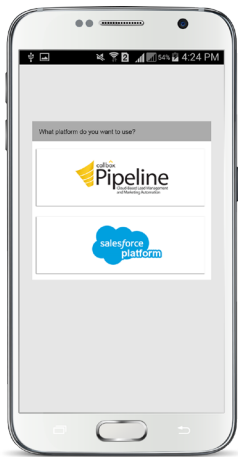

Enterprise Integration with Salesforce

Key Features

Callbox DialStream is your quickest hookup to achieving smarter phone productivity and gaining more hot leads. With powerful automation and seamless Salesforce integration, you'll experience what true efficiency is all about.

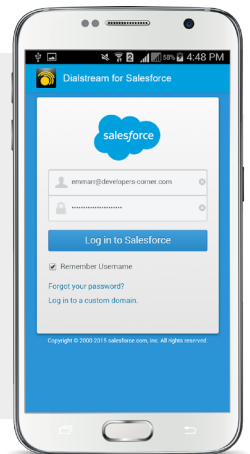

ACCESS YOUR PREFERRED CRM

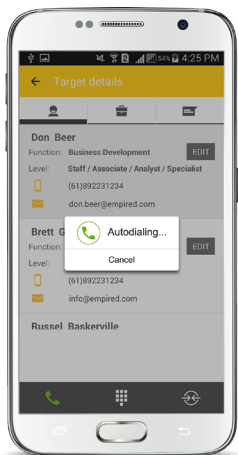

Choose the CRM platform you prefer to work with - Callbox Pipeline or Salesforce.

SAVE YOURSELF FROM SOFTWARE INSTALLATIONS AND DATA TRANSFERS

You can access and dial your Salesforce contacts directly through DialStream, no sweat! Connect to your Salesforce account with one click and you're good to go.

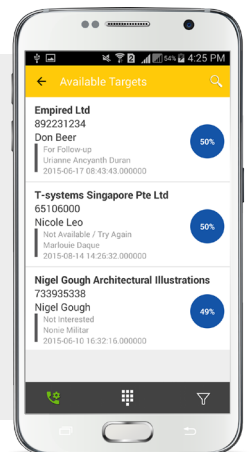

WORK FAST AND FURIOUS WITH DIALSTREAM'S AUTO-DIAL FEATURE

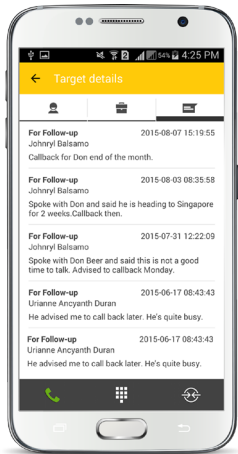

Step on the gas by going "auto" on your dialling process. DialStream not only significantly increases the calls you can make, but also the amount of time you spend talking to prospects.

STAY IN CONTROL WITH GOOD OLE CLICK-TO-DIAL FUNCTION

DialStream lets you switch off auto-dialing so you could choose specific people to call at your own pace.

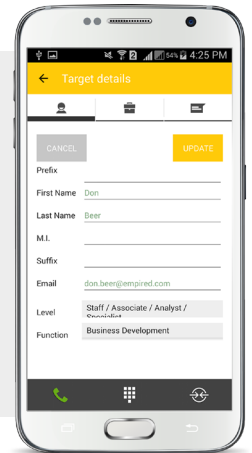

ENRICH YOUR CONVERSATIONS WITH SMART CONTEXTUAL DATA

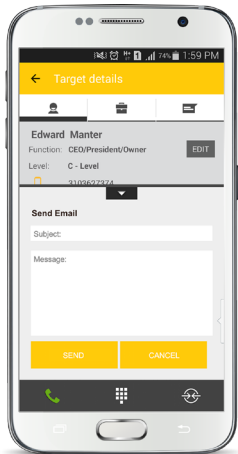

When you dial a number, you will see relevant prospect information including Lead Score, full contact history and notes from previous calls, which can help you in creating powerful talking points.

KEEP YOUR DATA FRESH WITH REAL-TIME UPDATES

After each call, edit and save contact information and call notes. Keeping contact data constantly updated is key to your campaign's success.

REINFORCE YOUR CAMPAIGN WITH EMAIL AND SMS

Send customized emails to contacts and SMS notifications for upcoming appointments. Nothing is more comprehensive than DialStream — with just a single tool, you get the whole enchilada.
